

MADISONOPOLY

Setup

1. Place the board on a table.
2. Dare and Campus Mail cards should face down on their allotted spaces on the board.
 - a. Playing with Dare cards is completely optional. Instead of Dare Cards, you can use Campus Mail cards.
3. Each player chooses one token to represent them while traveling around the board.
4. Each player is given \$1500 divided as follows:

2 x \$500's, 2 x \$100's, 2 x \$50's, 6 x \$20's, 5 x \$10's, 5 x \$5's, and 5 x \$1's.

Game Play

Each player throws the dice. The player with the highest total start the game.

Then each player places her token on the corner marked "GO", and throws the dice and moves her piece the number of spaces indicated by the dice.

The tokens remain on the spaces occupied and proceed from that point on the player's next turn. Two or more tokens may rest on the same space at the same time.

Depending on the space token reaches, you may buy the property, or be obliged to pay rent, pay taxes, go to jail, draw a Campus Mail Card or a Dare Card.

If you intend to play with Dare mode, then other players should keep you accountable in case you bail out from performing the activities mentioned in the card.

Last but not the least, have fun while playing. And don't forget:
